

## BESPOKE VILLA

# DIE GALERY

### Franschhoek, Winelands

A contemporary space where saturated colours juxtapose with minimalist interiors capturing the essence of the avant-garde. With two en-suite bedrooms, expansive living space, open plan kitchen and private garden, Galerie is the perfect fully serviced escape for up to four guests. A showcase for the owner's private abstract art collection, delight in the antique furnishings and carefully selected contemporary accents. Spend time enjoying the collection and soaking up the design, or simply gazing out over the private pool from the terrace to mountains beyond. Galerie has an eclectic personality all its own, a fitting tribute to the rich artistic heritage of the valley.
