

ESSENCE VILLA

GARDEN VILLA

South Africa, Stellenbosch, Western Cape, Winelands

In the Manor House there are three en-suite bedrooms. The main bedroom is a spacious suite with a King size bed and both a bath and shower in the en-suite bathroom. The second bedroom is well-suited to children and has a double and single bed. The en-suite has a bath. The third bedroom has a double four poster bed and an en-suite with shower. This upper level of the Manor House also has a central media entertainment area with fireplace to cuddle up as a family to relax. The lower level of the Manor House boasts elegant reception areas leading out to the terrace. The drawing room and library offer peace and quiet, and the crystal chandeliered dining room elegant dining for 12 amongst art and antiques. The Pool Pavilion has an additional 3 suites on the outside with separate entrances. The pool side suite which sleeps 2; double doors open onto the pool area with lawn views. Equipped with an exceptional copper slipper bath and en suite shower. Underfloor heating and private balcony. One family size room furnished with a King bed and 2 single beds, ideal for families with small children. Added is a gorgeous shower, slipper bath basin, toilet, heated towel rail and underfloor heating. The décor is specifically suited to families. A special super private suite which sleeps 2 and is found at the end of a secret pathway. A copper bath or en suite shower and wood burning stove enhance the romance of this lakeside suite.
